

Aiswei photovoltaic inverter

Who is aiswei solar?

A leader in China's photovoltaic industry, AISWEI brings solar energy to global users, offering a full range of 1kW to 80kW photovoltaic grid-connected inverter products, energy storage and energy management system. The continuous improvement of after-sales service systems ensures quality and value to customers around the world.

Who makes aiswei inverters?

AISWEI specializes in developing and manufacturing photovoltaic inverters, building on the success of the Zerversolar range of inverters from the SMA Group. Formerly known as SMA China and affiliated with the SMA Group, AISWEI was launched as an independent company in April 2019.

Who is aiswei?

Our German origins guarantee quality and Bankability AISWEI, formerly known as SMA's China subsidiary, is a leading R&D and manufacturing company focusing on clean energy and delivers a broad portfolio of photovoltaic inverter products, hybrid inverter products, EV charger and smart energy management system.

Does aiswei/solplanet have a global solar PV inverter market share?

September 19, Shanghai, China - AISWEI/Solplanet has achieved a significant milestone by securing 9th position in global solar photovoltaic (PV) inverter shipments in 2022, as reported in the Global Solar PV Inverter and MLPE Market Share 2023 report by Wood Mackenzie, a renowned global insight business for renewables, energy and natural resources.

Why should you choose aiswei?

We want to bring the power of the sun to everybody through our easy to use, affordable and reliable photovoltaic inverters. AISWEI is a leading R&D and manufacturing company focusing on clean energy and delivers a broad portfolio of photovoltaic inverter products, hybrid inverter products, EV charger and smart energy management system.

Who is aiswei/solplanet?

Dedicated to the mission of "Solar for Everybody", AISWEI/Solplanet has consistently introduced high-quality, efficient, reliable products and innovative solutions that meet the complex demands of the global PV inverter market.

The company, which trades in China as Aiswei, said the ASW 5-12k H-T3 inverter series includes four versions with power ratings of 5 kW, 8 kW, 10 kW and 12 kW. The smallest of the inverter series comes with two ...

To suit any photovoltaic installation need, Solplanet offers a wide range of innovative solar inverters like

Aiswei photovoltaic inverter

single phase inverters, three phase inverters, ...

AISWEI produces only non-isolated(transformerless) inverters. The transformerless inverter is the most common inverter in the residential and commercial market and usually has a higher efficiency, lower cost, smaller size and lighter weight in ...

AISWEI | 3,354 followers on LinkedIn. Solar for Everybody | AISWEI, formerly known as SMA's China subsidiary, is a leading R& D and manufacturing company focusing on clean energy and delivers a broad portfolio of photovoltaic inverter products, hybrid inverter products, EV charger and smart energy management system. Founded in 2009, AISWEI headquarters in ...

refers to a photovoltaic system with AiSWEI inverter and AiSWEI monitor device. The Manual assumes that the AiSWEICloud APP has been installed on the user"s smartphone. 1.2 Users The users of this manual are authorized experienced installers and end users who have the AiSWEI APP installed by experienced installers.

Today, AISWEI is a leading R& D and manufacturing company focusing on clean energy, delivering a broad portfolio of photovoltaic and hybrid inverter products, EV chargers, and smart energy ...

AISWEI/Solplanet has achieved a significant milestone by securing 9 th position in global solar photovoltaic (PV) inverter shipments in 2022, as reported in the Global Solar PV Inverter and MLPE Market Share 2023 ...

AISWEI Secures 6th Place Globally with A Record-Breaking 18.9 GW in PV Inverter Shipments AISWEI, Solplanet"s parent company, achieved a record number of shipments in 2023, ascending to sixth place in the global PV inverter shipment rankings, as reported by S& P Global Commodity Insights, a leading provider of global energy market intelligence.

AISWEi photovoltaic inverter from the Solplanet series. A special AISWEi Cloud application to monitor the operation of our installation. IP65 certified - for outdoor use. Technical data. Inverter type: Three-phase. Weight: 13,5 kg. Dimensions: 424x375x172 mm. ...

ASW Series Photovoltaic Inverters-Ideal Selection for Large Household and Small Commercial Power Stations On the afternoon, June 4, the launch ceremony of new AISWEI products was held. ASW series photovoltaic inverters are the latest generation of AISWEI inverters. The new generation of ASW15K-LT/ASW20K-LT inherits German technology and ...

AISWEI (Solplanet) specializes in developing and manufacturing photovoltaic inverters, building on the success of the Zeversolar range of inverters from the. Certification; Membership; Specifications; Software; Academy; Initiatives. ... A ...

Solplanet is an overseas brand of AISWEI. AISWEI is a global organization manufacturing high-quality and reliable inverters since 2009, formerly known as SMA"s China subsidiary with a broad portfolio of PV

Aiswei photovoltaic inverter

inverter products, hybrid inverter products, energy storage batteries, EV chargers, and energy management systems.

While Aiswei claims to have reached high market share in China for home inverters in particular, the company has also doubled the number of countries it serves since 2021 to over 40, Ada Zhu says.

AISWEI, formerly known as SMA's China subsidiary, is a leading R& D and manufacturing company focusing on clean energy and delivers a broad portfolio of photovoltaic inverter products, hybrid inverter products, EV charger and ...

Here comes a real novelty in the PV inverter space: Leveraging on the engineering know-how and manufacturing expertise of the most prominent German inverter manufacturer, AISWEI introduces a new ...

Solplanet is a brand of AISWEI which has been manufacturing inverters for renowned brands like SMA and Zegersolar since 2009. Today, AISWEI is an independent research, development, and manufacturing company with a particularly strong footing in the solar industry. ... Solar power is a clean, renewable energy source that can be accessible to ...

AISWEI, formerly known as SMA's China subsidiary, is a leading R& D and manufacturing company focusing on clean energy and delivers a broad portfolio of photovoltaic inverter products, hybrid ...

ASW5000-S-AISWEI Technology Co., Ltd.-The new ASW single phase inverter generation combines all aspects of our beliefs into simple, reliable and affordable PV inverters. Thanks to our compact and no lid-opening installation design, our new ASW inverter generation is simpler and faster to install. Furthermore, with our brand new WIFI-Stick and App, data monitoring and ...

We have developed single- and three-phase solar string inverters with high efficiency and maximum reliability for domestic solar power systems. Since our inverters have nominal ...

AiSWEI Technolog Co., Ltd (Solplanet) Solar Inverter Series ASW S Series 6-10K. Detailed profile including pictures, certification details and manufacturer PDF ... [https:// China Room 904-905, No. 757 Mengzi Road, Huangpu District, Shanghai, 200023](https://China Room 904-905, No. 757 Mengzi Road, Huangpu District, Shanghai, 200023) . Contact Manufacturer Note: Your ...

AISWEI, formerly known as SMA's Chinese subsidiary, has been successfully manufacturing high-quality and reliable products since 2009. Today, AISWEI is a leading R& D and manufacturing company focusing on clean energy, delivering a broad portfolio of photovoltaic and hybrid inverter products, EV chargers, and smart energy management systems.

PV supply has been disconnected. Hazardous voltage will present for up to 5 minute s after disconnection from power supply. CAUTION-RISK of electric shock from energy stored in capacitor, never operate on the inverter couplers, the MAINS cables, Battery cables, PV cables or the PV generator when power is applied.
