Why should you buy a Lynk & Co 01?

With the 01, everything awesome comes standard. Get a car with fun features, high-tech details, and a 75 km pure electric range. With the 01, all the features come included. No negotiations. Remote software updates keep your car up to date without slowing you down. Manage your car from the Lynk & Co app's connectivity features.

How much does Lynk & Co cost?

Lynk & Co, owned by China's Geely, would also bring its subscription sales model to the UK, which means owners pay a flat all-inclusive monthly fee and sign up for as little as a month at a time. The brand's single model, the 01 plug-in hybrid, is available for EUR550 (£490) a month in Europe, and comes with just two colour choices: blue or black.

How will Lynk & Co work?

Another innovation is the retail model. All Lynk & Co cars will be sold directly online or in Lynk & Co-owned clubs, which will gradually appear across major European cities. Prices are fixed and transparent. Cars will be delivered to customers, after purchase, and collected for servicing.

Who owns Lynk & Co?

Chinese automotive conglomerate Geely, owners of Volvo, has chosen to tackle the problem by launching a new global brand: Lynk and Co. After getting a ride in the passenger seat earlier this year, Auto Express headed out to Shanghai to be one of the first behind the wheel of Lynk & Co's launch model; the 01 SUV.

Can you get a car with Lynk & Co?

But the most important thing is that with Lynk & Co's flexible mobility memberships, you can get a car for an hour, for a month, or forever. The media could not be loaded, either because the server or network failed or because the format is not supported. Going hybrid doesn't mean compromised performance.

Does Lynk & Co sell electric cars in Europe?

A 178bhp three-cylinder petrol is also available in China, but both engines are irrelevant to European buyers - Lynk & Co will only sell traditional hybrid, plug-in hybrid and (eventually) fully electric variants after launching in Europe in 2019.
