

Concord Solar Power Plant

What is Canadian Solar acquiring from Concord Pacific?

Canadian Solar Inc. has entered into a sales agreement with Concord Pacific's green energy affiliate, Concord Green Energy, whereby Concord will acquire from Canadian Solar five utility-scale solar power plants totaling 49 MW (AC) valued at over C\$290 million (\$277 million).

How much energy does Concord Green Energy generate?

Concord Green Energy already generates more than twice energy in solar, hydro and wind across Canada to service all its communities. Its renewable energy portfolio has been growing steadily with three hundreds of megawatts of power production. More than 1.1 Gigawatt in planning and developments.

What is Concord Green Energy doing in Ontario?

Concord Green Energy's first-ever power project was Red Lily in Saskatchewan and was built almost a decade ago to help diversify SaskPower. Concord's subsequent wind farms are in Ontario and are already contributing to Ontario Power Generation.

Are Concord wind farms generating power in Ontario?

Concord's subsequent wind farms are in Ontario and are already contributing to Ontario Power Generation. Concord Green Energy has been generating power since 2005 for the BC Hydro grid through its Skookum ROR project of scale in Squamish. Concord Green Energy's Wedgemount hydroelectric project will also soon be online.

Will Concord Green Energy's Wedgemount hydroelectric project be online?

Concord Green Energy's Wedgemount hydroelectric project will also soon be online. The Amisk Hydroelectric project in Peace River, Alberta will be the Province's largest hydro project in history and will effectively double Concord Green Energy's portfolio once complete.

Who acted as a financial advisor to Concord Green Energy?

BowMont Capital and Advisory acted as financial advisor to Concord on the transaction. "Concord Green Energy is always looking at a variety of investment opportunities in green energy production to fulfill our mission of creating sustainable communities," said Cliff McCracken, Senior Vice-President Concord Pacific.
