

Limin Solar Power Generation Scam

What is a solar energy scam?

The scams vary, but here's the gist: someone claiming to be with the government or your utility company promises big savings on your utility bills from solar energy or other home improvements designed to increase energy efficiency. If you agree to the scammer's offer, it could cost you tens of thousands of dollars.

How do you identify a solar panel company to avoid scams?

These tactics may include persistent calls, scare tactics, door-to-door visits, or making unfounded claims about solar benefits. Companies employing such methods prioritize sales over delivering quality service. These are the red flags to identify solar panel companies to avoid scams. Also See: [Do You Still Have an Electric Bill With Solar Panels?](#)

Are free solar panels a scam?

Know that "free" or "no cost" solar panel offers are scams. The federal government does not install solar systems in homes for free. If you're considering whether solar energy is right for you, check out the Department of Energy's guide for homeowners and learn more. Or check out the Department of Treasury's guidance on clean energy.

Should you choose a solar company to avoid scams?

A lengthy history of lawsuits is another red flag when considering a solar company to avoid scams. These legal issues could involve poor workmanship, unfulfilled promises, or fraudulent practices. Prior to choosing a solar provider, thorough research into any existing lawsuits or complaints is essential.

Are solar business leads a scam?

At best, this is someone generating leads to sell, not actual solar businesses. At worst, they're scammerstriving to steal your identity. If you spot a scam, tell the Federal Trade Commission at ReportFraud.ftc.gov.

What are energy scams?

Energy scams involve people pretending to be energy companies or regulators to get your money or personal information. These scammers may pretend to be your energy company, say they're from Ofgem or even from Energy Saving Trust to try and gain your trust.
