

Mijia curtain companion photovoltaic panel

Is Xiaomi launching a Mijia curtain companion?

Xiaomi has launched the Mijia Curtain Companion, a smart adapter for the soft furnishing. Xiaomi claims the gadget is easy to fit, stating, "just hang and use, ordinary curtains become smart in seconds". Xiaomi is currently crowdfunding the device via its Youpin platform.

Does the Mijia curtain companion require a specific type of curtain rail?

As stated earlier, the Mijia Curtain Companion does not require a specific type of curtain rail as it can be hung and used immediately, automatically transforming an ordinary curtain setup into smart curtains in seconds. Also, it is compatible with mainstream tracks such as U-shaped, I-shaped, and Roman poles.

What is Mijia curtain companion?

The Mijia Curtain Companion is a gadget with which there is no need to change the curtain rod, it can be hung up and used immediately. So ordinary curtains can be transformed into smart curtains in seconds and it is compatible with the traditional sticks mentioned above, i.e. U shape, I shape and round.

How Xiaoai Mijia curtain companion works?

The Mijia Curtain Companion comes with an automatic gripping feature whereby the algorithm intelligently adjusts the fit. In terms of control, the gadget supports XiaoAi's voice assistant control. With this, you can initiate the opening of the curtain with just voice command.

How to open & close Mijia curtains?

If you want to open and close the curtains in both directions, you can set group control in the Mijia app (two Mijia Curtain Companions are required to use together). Xiaomi claims that the Mijia Curtain Companion adopts an automatic gripping device with the algorithm intelligently adjusting the fit.

How much does a Xiaomi curtain companion cost?

Xiaomi has launched the MIJIA Curtain Companion which can be hung and used without installation under crowdfunding. The product supports U-shaped, I-shaped, and Roman pole multi-track operations thus ensuring that you won't need to change your curtain rails to use it. The product carries a retail price of 349 yuan (~\$55) while it is on [...]
