single refrigeration system that made up of one air cooled

Effective glue boards for catching big and small pests Ready-to-use, easy, no-mess way to control mice, roaches, spiders, scorpions, and other crawling insects Easy disposal of trapped pests Perfect for people-sensitive areas such as homes, apartments, and more

Product Information Variouslly described as rat glue traps, rat glue boards and sticky rat traps, this product is the fastest way to get rid of rats in your home or business. Unlike other methods of rodent control, which rely on rats taking bait, rat glue boards simply trap rats as they run over them and become stuck to the extra-strong adhesive.
