We offer professional quality ranges from brands Including WAHL , ghd , Barnum and Proxelli. Don't forget to keep your hair safe from damage with our fantastic range of heat protection products .

How do I choose the best electric hair clippers?

If your electric hair clippers come with a range of clip-on combs in various cutting lengths - find the one that's right for you and attach it to your clippers - as well as choosing the speed you're comfortable cutting at, if your hair cutters come with speed options. Step two - prepare a space for cutting

How do I choose a good electric hair Trimmer?

A non-slip grip will also help you maintain more precise control during cutting. We'd also recommend keeping an eye out for electric hair trimmers that come with accessories such as cleaning brushes and blade oil to keep your clippers in good condition.

What is the best hair clipper for fast cuts?

The guard combs give you cutting lengths of 1/16" to 1", and they're easy to change. If you prefer cordless hair clippers, you may want to consider one of the other models featured further up. However, the Elite Pro's 8-foot cord gives you plenty of wiggle room when cutting your hair. 2. Oster Fast Feed Hair Clipper: Best hair clipper for fast cuts

How much do electric hair trimmers cost?

Prices vary between brands, but thanks to regular sales you can often pick up some good electric hair trimmers for around \$50 or less. What if you're ready to shave your head bald? Then we'd recommend one of the best electric head shavers instead.

Which Barber-standard hair trimmer is right for You?

Wahl's barber-standard hair trimmer is equipped with a stainless steel T-wide blade, which is wider than most to enable you to cover larger areas faster. The Detailer is suitable for those of you who want to experiment with skin fades and super-crisp edges, but it will also trim your beard or mustache.
