

Portable ESS system project financing options in Mauritius 2025

Why is Mauritius moving towards sustainable investment practices?

This move towards sustainable investment practices is intended to safeguard Mauritius' natural resources and promote social welfare, thereby enhancing the long-term viability of investments. Mauritius is actively working to expand its international trade agreements to strengthen economic ties with African and Asian markets.

How does SME Mauritius improve the competitiveness of SMEs?

SME Mauritius provides a series of schemes to improve the competitiveness of SMEs. These grants cover 80% of the approved itemised cost of the project. The Entrepreneur contributes the remaining 20%. The value of grants is determined by the T/Over and the number of employees on CSG.

What are Social Security and housing initiatives in Mauritius?

Social security and housing initiatives aim for greater inclusivity. The budget provides substantial support for households under the Social Register of Mauritius (SRM), social aid beneficiaries, and increases the income threshold for assistive device grants.

When will the independence allowance stop in Mauritius?

The Independence Allowance will stop from 1 July 2025, but will continue for SRM (Social Register of Mauritius) households. Prime à l'Emploi, housing loan support, and Home Ownership schemes are ending or winding down. Passenger Service Charge (PSC) increased significantly for all travelers.
