As opposed to traditional solar panels, the hat captures solar energy from all angles sans any blind spots from its 360-degree solar paneled brim. This eliminates the need for manual adjustments just to get the optimal sunlight exposure. Despite the integrated solar panels, the EcoFlow Power Hat feels light on the head at just 13oz (370g).

It looks like any good, old sun hat - you know, the kind that provides shade for your face, neck, and shoulders from the blistering rays of the sun. More than a way to keep your upper extremities from getting sunburned while you lay around on a beach blanket, though, the EcoFlow Power Hat pulls double duty as an on-the-go solar charging device.

Power all your adventures. • Solar charging on the go • Captures solar energy from all angles without any blind spots. • Dual USB-A & USB-C ports for charging two devices simultaneously. • UPF 50+, sun and UV protection • More power, less heat, for a cooler wearing experience • IP65 waterproof and dustproof-rated,
