

WeChat Power Grid Binding Account

Check the box next to "I have read and agreed to the WeChat Official Account Admin Platform Service Agreement". It's located at the bottom of the Basic Information form. You have to agree to the service agreement in order to register an official account. Make sure to read WeChat's service agreement before you agree to it.

The power provider can control power demand and prevent overloads by gradually turning off electricity for a few hours in different parts of the city or region. In this scenario, customers can share the available energy supply during a rolling power outage. It also guards against power outages at delicate locations like hospitals.

Each Business e-Banking business profile can be binded to one WeChat Account only. You will be prompted to the 'Rebind' process if you tries to bind the same profile with another WeChat Account. This is to disconnect previous WeChat Account and setup with a new WeChat Account to receive Mobile Reminders.
5.

You will receive a confirmation message via SMS and WeChat upon completing the account binding process. Afterwards, you will be able to receive the mobile reminders via your designated WeChat. For your convenience, you can always change your preferred delivery channel (by SMS or WeChat) via your Business e-Banking.

1. Register the first WeChat account: First, use your mobile phone number to register the first WeChat account. Enter your mobile phone number, receive the verification code and set a password. Register a second WeChat account: Exit the first WeChat account, reopen WeChat, and select the 'Register' option.
